### THE GIDEON MINISTRY

In 1899, the three founders (salesman) of The Gideons International sought to meet a need among their peers. They wanted to create an Association for Christian traveling men to identify and support each other when away from home. The effort to place Bibles in hotel rooms started a bit later, in 1908.

The organization is named after the Biblical figure, Gideon found in the book of Judges.

Since its founding in 1899 the Gideons have distributed approximately 1.3 billion Bibles worldwide, in 108 languages.

We are honored to have a representative of the Gideons in our service today. We will collect a Love Offering for this ministry.
